

June 2018

Night work on the Princes Highway and President Avenue, Kirrawee, from Monday 18 June

The NSW Government is funding this work as part of its \$300 million Gateway to the South Pinch Point Program.

Roads and Maritime Services will be carrying out improvements to the intersection of the Princes Highway, Acacia Road and President Avenue, to help improve traffic flow, travel times and safety for all road users, particularly during peak periods.

The improvement work includes building a new median, road resurfacing and relocation of utilities. We have included a map to show the location of the work.

Our work schedule

To complete the work as quickly as possible, we will be on site for up to **80 night shifts** between **Monday 18 June** and **Friday 28 September**, weather permitting. Our night work hours will be between **9pm** and **7am** from **Monday** to **Saturday**.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks such as jackhammering and saw cutting by **midnight**, using non-tonal reversing alarms on heavy vehicles, switching off plant equipment when not in use, and staging the work in different locations. Street parking in the work zone will be restricted during the night work hours.

For more information on night work in your area, please contact our delivery partner, NACE on 1300 556 889 or kirrawee@nace.com.au.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have questions or concerns regarding the project, please contact our delivery partner, NACE, on 1300 556 889 or kirrawee@nace.com.au. For more information on the project, visit rms.nsw.gov.au/aokp.

Thank you for your patience during this important work.
